

Workbook component of PCA "C" Proficiency

This is part of the assessment and you need to be deemed competent with the written as well as the practical. You will need to complete the written assessment online or in paper copy prior to the practical assessment.

Once you have completed the written assessment it is to be sent to your assessor.

You will have access to the C manual for this assessment.

Written assessment is out of 160, you will need to obtain 75% so 120/160 to be deemed competent.
