Sharing Club responsibilities is a good idea. Please share relevant information to ensure delegated responsibilities are carried out effectively.

MEMBERS BENEFIT WHEN RELEVANT INFORMATION IS PASSED ON. PLEASE ENSURE YOUR MEMBERS ARE WELL INFORMED.

We suggest the following be adopted:

- Executive Minutes:** These are your lifeline from the State Association. State Executive Council meetings are held bi-monthly starting in January and Mini Executive Council meetings are held via zoom in the other months. All Executive Council & Mini Executive Council minutes should be presented as Incoming Correspondence at Club meetings.
PCASA Executive Council & Mini Executive Council minutes should be read by the President and Secretary of the Club and relevant information extracted to pass on to Members and Committee.
- Constitution:** PCASA Has a State Constitution, Zone Constitution and Club Constitution. Ensure your club is functioning as per the Constitution and ensure your Constitution remains current. It is suggested the Constitution is reviewed at least every 5 years.
- Rule Book:** The rule book is updated each calendar year. A hard copy is available for purchase from the State office, otherwise it is available to view and/or download from the State website.
- Volunteers:** Recognition of services is important at all levels. Ensure to thank your volunteers. Service pins can be awarded to volunteers for 5,10,15,25 & 50 yrs of service. Clubs nominate members every in even years for presentation at Gala Dinner.

CLUB MANAGEMENT

Each club should have no less than the following positions:

- President
- Vice President
- Secretary
- Treasurer
- Chief Instructor and/ or Rally Coordinator
- District Commissioner (optional)

(The offices of President and District Commissioner or President and Chief Instructor may be combined as may Secretary and Treasurer Offices.)

**some positions may be filled by the same person

Roles in brief

President

The role of the President is to oversee the running of the club and its administration. This involves running club meetings and ensuring effective management of its sub-committees.

Vice-President

In many instances, it is assumed that the Vice-President will become Club President. Thus it is the requirement of the Vice-President to become acquainted with all club activities and the duties of the President in order to prepare for a term in office.

Secretary

The Club's Secretary controls the club's administrative procedure. He/she is the main link between the Committee and the club's members. Usually the Secretary is the first point of contact an outsider has with the Pony club.

The position of Secretary is one of the most important in any Pony club and the role of the Secretary embraces far more than simply keeping minutes of meetings. The Secretary has details pertaining to club membership, events and team schedules as well as information regarding club meetings.

To fulfil the position effectively, a Secretary should:

- Attend and record minutes of all Committee meetings
- Prepare agendas or assist the President in preparing agendas for meetings
- Send notice of upcoming meetings and circulate previous minutes and reports to the Committee at appointed times or when requested to do so.
- Examine all correspondence, directing it to the Committee members concerned, and replying if necessary. Special attention should be given to all correspondence received from both the Zone committee and State Office.
- Immediately after Club Annual General Meeting notify the State of the newly elected Executive Committee and general Committee via the Annual Return. If there is a special meeting with an election of Committee members notify the Zone and State.
- Supply the Zone with a copy of the Clubs AGM minutes,
- Keep a registrar of members and be well informed as to the method of transferring members from one club to another
- Have a good knowledge of the club's policy and constitution
- Communicate information to the members

Treasurer

The Treasurers role is to keep track of all the Clubs money. Debits, credits and cash money. This is a big responsibility as they are in charge of a club's money and are accountable for every cent.

The Treasurers books must be made available to any Committee member on request.

To fulfil the position effectively, a Treasurer should:

- Deposit and withdraw monies as required
- Compile and issue a balance sheet and statement of revenue and expenditure, which shall be laid out before each meeting of the Club.

- Ensure that all fees are up to date in JustGo Issue all receipts for any fees or other monies paid to the Club. Clubs must **not** add extra categories to JustGo, if discounts are required contact JustGo at support@ponyclubaustralia.com.au
- Liaise with the Secretary on the 1st or 2nd day of the month of any membership payments for the "**ALL PAYMENT DETAILS**" report.
- Secretary & Treasurer roles can be combined if a Club requires.

Chief Instructor and/ or Rally Coordinator

It is recommended that all clubs have either a Chief Instructor (who must be qualified) or a Rally Coordinator. The guidelines for a club Chief Instructor / Rally Coordinator are:

- to arrange the Coaching program for rallies, schools and camps
- to keep the committee regularly informed on their activities
- to regularly assess progress and grading of riders (Club Chief Instructor)
- to see that all necessary facilities and properties are made available for the program planned for each rally, or advise the rally organiser (committee member) of requirements
- to appoint the coaches for each Rally and discuss with them in advance the standard and subject to be taught from the Syllabus of the Australian Pony Club Council
- to convene coaches' meetings where required and see that all relevant information is circulated
- to encourage attendance by coaches and potential coaches at all courses and conferences which are made available
- to appoint people with specialist knowledge from outside the club to give instruction in special subjects
- to encourage coaches, potential coaches and parents within the club by means of individual help and encouragement
- to organise and chair panels for team selection and arrange the training of club teams
- to advise on the preparation, training and nomination of riders for efficiency tests
- to attend Zone coaching panel meetings

District Commissioner (optional)

Manage conflicts and investigate complaints

ZOOM

PCASA has a Zoom account that is available for Clubs to use free of charge. There is a booking system to ensure there are no double up's with bookings.

Go to pczoombookings.square.site

The screenshot shows the 'PCASA Zoom Bookings' page. At the top, there is contact information: '132 Rose Terrace Wayville SA 5032 • 0499 202 454 • pcasa.inc@gmail.com'. Below this is a navigation bar with 'Services' and 'Staff' tabs. The main content area displays four booking options in a grid:

- Zoom Booking 30 minutes:** Half hour zoom booking using State Zoom account for PC purposes. Price: \$0.00 • 30 mins. Button: Book now.

In Appointment Notes, please indicate if you wish to have the meeting recorded.

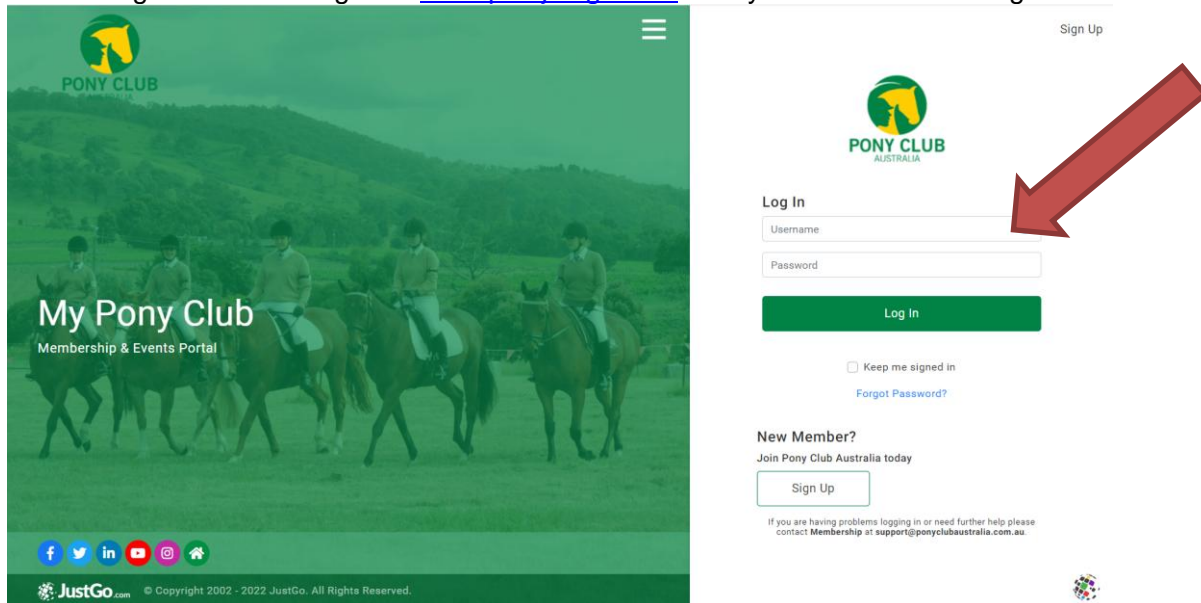

You will then receive an sms or email advising your booking has been accepted, and then you will receive a calendar invite from pcasa.inc with your Zoom meeting details to share with those who you wish to attend your meeting.

Renewing Membership, joining for the first time & Rally Participation

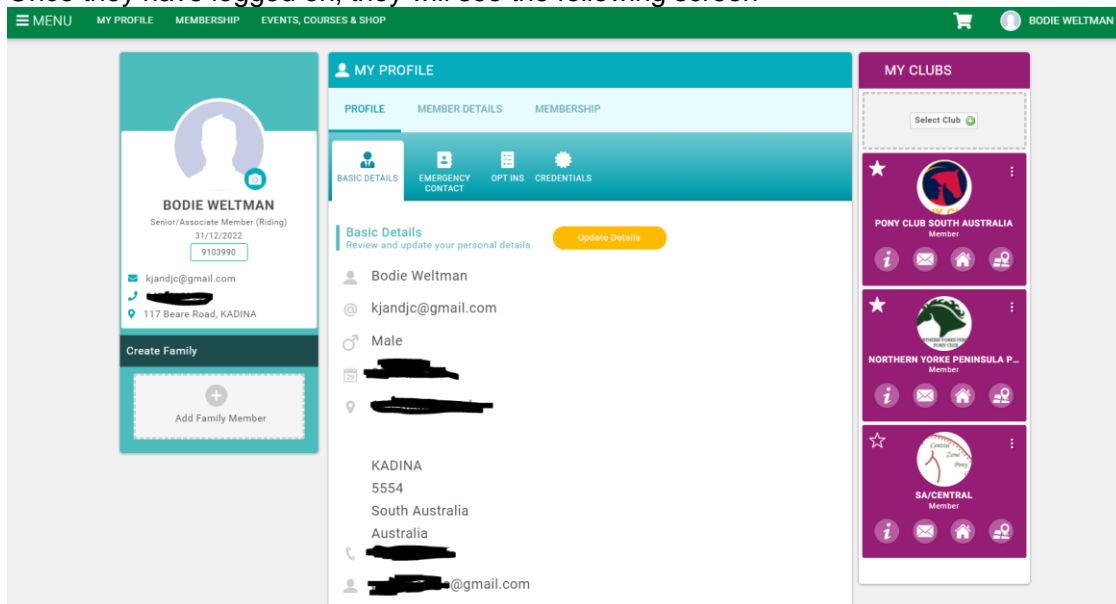

All current members (and some past members) will have a unique User Name for the PCA JustGo Database. At the end of each financial year a list of these usernames will be issued to Club Admins by PCASA Database Management.

If Members do not know their password, it can be reset for them – all members should have their own (or their parent/guardian's) email address associated with their username in the database – as the database is where all resources are ordered from for Coaching and Efficiency Learning/Testing.

A renewing member will log onto www.pca.justgo.com – they will see the following screen:

Once they have logged on, they will see the following screen

From here they will click on “Membership (located in the top green banner, and then they will click on their current Club Membership, and then “renew or Add your membership” from there they will be able to pick the membership relevant to their age, and then process Credit card Payment – there is no Paypal function – payment is direct Credit Card payment with the fees passed onto the members. Social Membership is also known as Non-Riding membership.

For someone new joining – instead of Logging on they will click on New Member – Join Pony Club Today – SIGN UP – they enter name, and personal details, and then select the club they wish to join. Their membership is not final until the Club has approved it, so no need to worry about random members joining – an email will be sent to Club Admins notifying of a new member.

Rally Participation riders will select – “South Australia Direct” as the club they wish to join.

Some forms explained

Performance Card Application

Rule Book section G3.5 and G3.6

This form is for a rider and their horse. Each combination must have a performance card. The Secretary of the Club must apply for a card for each combination within three (3) months of attending their first rally.

<p>Green Card Riders under 26yrs For qualifications & All Graded Disciplines or Pale Green for Non- Graded Combinations</p>	<p>Yellow Card Riders 26yrs & over For qualifications & All Graded Disciplines Or Cream for Non-Graded Combinations</p>	<p>Blue dressage cards are been phased out, when new or replacement cards are applied for the dressage grading will be on the Green/Yellow/Orange/White card</p>
---	---	---

PCASA Orange Card holders will need to have their cards changed to reflect Show Jumping & Dressage Grades if wanting to take part in these competitions

Please see chart on page 27 for full inclusions for white & Orange Card Holders

Process: Rider completes the form and hands to the Secretary.

The rider is then assessed and graded by the chief Instructor

The Secretary then signs the form confirming financial status and gets it signed by the Club Chief Instructor or Zone Chief Instructor who will grade the combination for Eventing, Show Jumping and Dressage where applicable.

Combinations who participate in Mounted games only, or where the rider is too young to compete, need not be graded for eventing, Show Jumping or Dressage, but still need to be assessed for a graded by the Chief Instructor.

The club Secretary then send the application to the State Office & Card Registrar, where the Card Registrar will allocate a number, issue a card and records the information.

Cards will be sent to the Club Secretary with a general turnaround time of two weeks. The card must be signed by the Club President, Secretary and Treasurer.

Each year the financial status must be updated on all cards once subscriptions are paid.

Attendance rallies must be completed and signed as per the Rule book Section 3.6.

Riders do not need every rally attendance recorded on the performance card, but rather enough to show they are qualified.

What to do when you have a question or query relating to Pony Club®.

If the process is followed, then more information will be shared through zone and club secretaries.

How to become a Pony Club® Coach

If you are interested in becoming a coach, there is a lot of information on both the PCA and the PCASA website. All Pony Club® coaches must:

- Be a financial member of a club.
- Be 18 years old to be accredited. Training can commence from 16 years old.
- Have a current Working with Children check (WWC) applicable to your state.
- Complete the Australian Sports Commission (ASC) Community Coaching Essentials course (link is on the PCA website in the Coaches section) and update the certificate to their JustGo profile. This is a free online course which will take approximately 3 hours to complete and has a lot of helpful information about coaching.
- Complete the Gear Checker Accreditation module which is also available on the PCA website in the Coaches section. This is a free course consisting of a Manual, a link to the National Gear Rules, a webinar and a short, written test which is done online, or can be printed and written, then sent to an assessor. You will then have a practical assessment with an assessor observing you conducting gear checks on 3 combinations.

You can start with PC Foundation Coach, or NCAS Preliminary Coach, depending on your level of knowledge and confidence as to which you choose. The courses cover basic lessons and how to give them, where to stand, how to say what you want to say, rider safety, gear checking, lesson formats and reviews.

FOUNDATION COACH

The entry level Pony Club Foundation Coach is not a compulsory qualification but can be used as RPL towards the Preliminary Coaching qualification level. Coaches can purchase the Foundation Coach manual through JustGo (log into your profile and click on Shop) and can run through the online webinar series or work through the manual with a mentor (check with your club or zone Chief Instructor or the State Office for a contact). Foundation Coaches are required to complete 10 hours of mentored teaching at a club and can fill in their coaching hours in the Practice Log. They then sit the written and practical assessments with a Level 1 Coach.

PRELIMINARY COACH

Step 1

The manual is available to order from Pony Club Australia on the JustGo shop, which must be completed along with 20 hours of mentored practice and a practical assessment. Notify the Training Officer ann.olsen@bigpond.com to receive the Preliminary Coach workbook and receive support from the state association with your coaching journey.

Step 2

Attend a Preliminary Coach Training Day. These are advertised on the web page and occur around the state. Your club or Zone can request a coach clinic by contacting the Chief Instructors Panel or the Training Coordinator. These days are to cover a lot of the material in your books and to have some practical sessions so you can see how to do different tasks.

Step 3

Work through your workbook with a mentor who will sign off sections as you demonstrate your competency. A list of PC mentors is on the PCASA website, or you may seek help from a qualified NCAS Level 1 coach.

Step 4

Attend and participate in a Practice Teaching Day. You will be given the opportunity to plan and give some lessons, be given comprehensive feedback on the day and be advised if you are ready for Assessment. You can attend as many of these days as you like, until you feel comfortable to move on to the Assessment Day.

Step 5

Attend an Assessment Day and teach a flatwork, jumping and games lesson. The lessons are in a shortened version (20 mins) and each candidate has time to prepare and have their lesson plans checked prior to presenting their lessons to a maximum of 4 riders. A payment of \$15 is required on Assessment Day, this helps cover the cost of your certificate etc.

You will be told on the day if you are successful or need to do some more work, with feedback given on the lessons presented. New coaches are not expected to be perfect, but it is essential that the lesson is safe and under good control and what you teach is correct. Shortly after the Assessment Day you will be issued with a certificate and coaching card to keep a record of your coaching activities.

LEVEL 1 COACH

Currently the most advanced Pony Club coaching qualification, set to coach up to C*/B certificate riders. Preliminary Coach accreditation is a pre-requisite for this course.

Performance Card Grading Check List

Grading must be done by the club/zone chief Instructor. If a Chief Instructor is not available then a Level 1 Pony club coach may be invited by the club to grade combinations at a Pony Club rally where the combination being graded is working with other riders, so they can be observed working in a group.
