BULLETIN #13

Membership fees for 2022/2023

PCA has put the capitation fee up to \$22, this is an increase of \$5.50. So, this means the fees have gone from \$116.20 to \$121.70.

PCASA \$99.70 and PCA \$22

Clubs will need to factor that into their fees for the coming membership year.

This has already been applied to the database and clubs don't need to do anything.

Sorry for the late notice but we have only just found out ourselves.

Ann Olsen
PCASA President
