BULLETIN #15

Transfers

Can club secretaries please continue to fill in the transfer paperwork and send via their zone to state. Once transfer is approved by the Executive Council the Club can process the transfer through the database if they wish and the STATE will approve it.

Transfers are NOT to be approved by Clubs or Zone admin in the database.

Clubs/Zones do not have to process in the database if they do not feel comfortable.

Transfers will not be fast tracked via email from a State level, as the Executive Council are now meeting every month, to ensure transfers are processed in a timelier manner.

Thank you

Ann Olsen
PCASA President

20/6/2022

The support of the below organisations is acknowledged and appreciated
